Dear Doctor Sandra Botia Pinzón:

We kindly inform that we have reached a decision regarding your submission to *Palliative Medicine in Practice*, entitled "Clinical Applications of Artificial Intelligence in Symptom Management and Decision Making In Oncologic Palliative Care: A Systematic Review (2021–2024)".

Our decision is: Acceptance without modification

You can view review results on the page:

https://journals.viamedica.pl/palliative_medicine_in_practice/author/submission/review/105709

Please find below Reviewers' comments.

Your manuscript will be soon published online (ahead-of-print) and you will shortly receive proofs of your manuscript for Authors' corrections.

Thank you very much for your submission to *Palliative Medicine in Practice*.

With kindest regards,

Prof. dr hab. n. med. Wojciech Leppert
Chair of Palliative Medicine, Institute of Medical Sciences, Collegium Medicum, University of Zielona Góra, Poland
